

WORD of the SUPPORT COMMITTEE of ELODIE LAMBINET for YEAR 2011

Year 2011 will have been one year showing the incoherence of the file, showing that " **this affair is political, showing that the Freemasonry is behind all this** ".

Throughout this year, **the Support Committee of Elodie LAMBINET** made everything to make move things.

We are angry : **10 000 signatures, tens of signatures of Elected representatives**, mails, a phone year of calls to the Bodies, to Organizations, to the Medias, to the Elected Representatives of the Republic, to Institutions, to the People, and **NOTHING Has no SHANTY !**

(See the Web site : <http://www.adire.us/> Section " Thanks and Petition ").

We are very worried, **since June 22nd, 2006**, we are without news from **Elodie**. We are afraid that over the years, **Elodie** was "formatted", that it is not any more capable of deciding by herself.

We are very worried, for the last year, her school results are catastrophic. Worse ! She runs away. Except for the dad, it would seem that nobody really becomes aware of it. That is she going to become ?

That is it going to take place during its majority ? Who is responsible for this "massacre" (op.cit, to see the phone reports and reports of the Committee).

If, by a fate, **Elodie** has access to the site of **ADIRE / ADRDE**, we want that she knows that we continue the fight and that shall have respite to succeed and to allow **Elodie** to communicate with her dad.

We wish you **an excellent year of 2012**, that it is the one who will allow you to speak to your dad and to see again him.

We do not forget you !

Portet de Luchon, on January 10 th, 2012
